Everless SmartBag

- Reusable bag with folding technology
- Self folding in one motion
- Compact and portable
- Designed to last

The Everless SmartBag is the first smart design solution to single use plastic bags. Its unique new storage technology enables you to fold the bag in one motion into a gadget so tiny that you have a bag whenever you need it, wherever you are. The SmartBag is the next generation backup bag. It fits any pocket so it's always ready to carry anything, anytime, anywhere.
