

# Pop Cup Sleeve

- 🔄 Cup sleeve with built-in Pop Grip
- 🔄 Keeps beverages hot or cold
- 🔄 Non-slip grip to avoid spills

Hold your beverage, keep it cozy, and avoid scalding burns when you use a Pop Cup Sleeve. Keep hot beverages hot and in your hand. Includes an integrated (and swappable) Pop Grip for the ultimate grasp.

Designed with a non-slip foam material, the Pop Cup Sleeve prevents your hands from losing hold or spilling liquids. The compact design collapses flat for no-fuss pocketability and storage.

Give your customers a way to show some brand love while sipping their favorite hot beverage with the Pop Cup Sleeve.

*For best results, use it in conjunction with a phone case. The gel is designed to stick to most materials, but it may have issues sticking to silicone, waterproof cases, and textured materials, like leather.*
