# PopGrip Chroma

- 🔗 Trending, translucent colors
- 🔗 Swappable top
- 🔗 Phone grip and stand
- 🔗 Removable top for wireless charging

The PopGrip Chroma brings brilliant, trending colors to the ever-popular PopSockets PopGrip Swappable. It makes it easy to remove the Pop Top from the base to charge your phone wirelessly. Like a classic PopGrip, the PopGrip Chroma sticks flat to the back of your phone with a repositionable gel. Once extended it becomes a media stand and grip, making it easier to text with one hand, snap photos, and watch videos hands-free.

*For best results, use it in conjunction with a phone case. The gel is designed to stick to most materials, but it may have issues sticking to silicone, waterproof cases, and textured materials, like leather.*
