PopGrip Vegan Leather

- ② Vegan leather material for engraving
- ② Phone or tablet grips

Premium and rustic, the PopGrip Vegan Leather is available in black or brown. It's on-trend, super functional, and sticks flat to the back of your phone, tablet, or case with its rinsable, repositionable gel. Once extended, a PopGrip becomes a media stand for your device, a photo or texting grip, or lower it for a video chat. The back of anyone's phone is prime real estate for any promotion, and the best part is that a PopGrip can be used on almost any brand of phone or phone case.

For best results, use it in conjunction with a phone case. The gel is designed to stick to most materials, but it may have issues sticking to silicone, waterproof cases, and textured materials, like leather.
