

iShine

We've all been guilty of using our phones as mirrors which makes the slim and sleek iShine an ideal phone grip for makeup touch-ups and those discreet after-lunch teeth checks. Constructed of durable plastic, the iShine mirror adheres to the back of your mobile device with strong adhesive and can be used as a phone stand when open. When not in use, the compact-style mirror secures shut with a small magnet closure and features a generous imprint area for a variety of logos. Multifunctional and stylish? The iShine is the best of both worlds.
