The P4000 4-in-1 Flip is a power bank for the masses. Featuring a 4000 mAh battery with dual lightning and android connectors (one on each side) it can provide a full charge for most smartphones. As if the lightning and android connectors weren’t enough, this little gem also contains a Type C adaptor tucked inside and a standard USB port for almost any cable you’ve got. The large imprint area provides a generous space for promoting your brand in full color. Standard micro USB input cord included.

**Due to shipping regulations on lithium ion batteries, we are not able to expedite shipping on power banks. If expedited shipping is required, please inquire with your sales rep regarding Hazmat shipping.

**Pricing may be subject to change based on pending Tariff discussions.
