

Spinnit Tire Pen

Once you pick it up, you can't put it down. The ergonomic, easy-to-use, thumb spinning action is highly addictive and oh- so-fun, and with a tire tread spinner the grip is even better. The Spinnit Tire Pen shows off your automotive pride and keeps you focused and productive while taking notes, writing papers or sitting in on yet another conference call.

U.S. Patent No.
9,950,556
